IEEEXtreme celebrates its 10th anniversary

IEEEXtreme is a global challenge in which teams of IEEE Student members—advised and proctored by an IEEE member, and often supported by an IEEE Student Branch—compete in a 24-hour time span against each other to solve a set of programming problems.

2016 IEEE 3rd World Forum on Internet of Things (WF-IoT)

WF-IoT is a unique event for industry leaders, academics, and decision-making government officials, designed to examine key critical innovations across technologies that will alter the research and application space of the future. The Internet of Things envisions a highly networked future, where every object is integrated to interact with each other, allowing for communications between objects, as well as between humans and objects.

Automatic renewal preference for Membership(s) and Subscription(s)

Automatic renewal is a convenient way to renew your membership(s) and subscription(s) each year to ensure your benefits remain active. Are you sure you want to turn it OFF?

Turn ON automatic renewal. I have read the [Automatic Renewal Terms and Conditions](#) and allow IEEE to automatically renew my membership(s) and subscription(s).
