The screenshot shows the IEEE membership website interface. On the left is a navigation menu with categories: Membership Menu, IEEE Membership, Societies and Special Interest Groups, myIEEE, Member-Get-a-Member, and Student Resources. Under IEEE Membership, the 'Join' option is selected. The main content area features a promotional message about half-price dues, instructions to choose a membership type and click 'Begin join process', and two radio button options: Professional Membership (selected) and Student/Graduate Student Membership. A red box highlights the 'Begin join process' button. Below the options, there is a section for alternate payment options with a link to 'See other options'.

There is no better time to discover the value of IEEE membership, than while membership dues are half price. New members that join between 1 March and 15 August are billed at half-off the full-year membership dues, and receive membership benefits through 31 December.

Choose your membership type below, then click the "Begin join process" button. First, create your personal IEEE Account, then complete the membership application and proceed to payment.
